

Q4 2015

Through the first 3 quarters of 2015, ASICSoft has experienced tremendous growth. “Our partnership and growth within existing clients has been fantastic”, said Michael Chandler, ASICSoft CEO. “Not only that we’ve added several customers which will enable us to see even further growth into 2016”, he continued.

ASICSoft has added clients in Solid State Disk Semiconductor Development, Aerospace Engineering, Defense Contract Engineering, High-speed Network Equipment, Wireless Semiconductors, and several VMS / MSP Partners.
